HOW TO USE THIS ADAPTED BOOK

What is an Adapted Book?

This adapted book is a hands-on learning tool designed for children with special needs.

It uses simple pictures, labels, and short sentences to support understanding, communication, and independence.

Adapted books help students:

- Build functional vocabulary
- Improve comprehension
- Practice making choices
- Increase attention and engagement
- Follow routines and expectations

How this book supports the student:

- Each page presents one clear idea only
- Pictures support understanding of the text
- The student interacts by choosing and placing pictures
- Repetition helps with learning and routine building

Differentiation Note:

This adapted book may not fully align with your student's routine or current learning goals. Please feel free to edit this resource according to his or her learning needs.
