

WHO LIVES IN THE OCEAN?

This interactive adapted book can help autistic students and young learners develop their vocabulary skills.

- Download this book as a PDF.
- Print each page of the book and cut around the solid lines.
- Cut out the individual pieces for the book on page 2.
- Use page 11 as the mat where all the pieces will be attached with hook and loop fasteners.
- The large flashcards can be placed on or attached to the mat.

A seahorse

An octopus

A shark

A whale

A sea turtle

A jellyfish

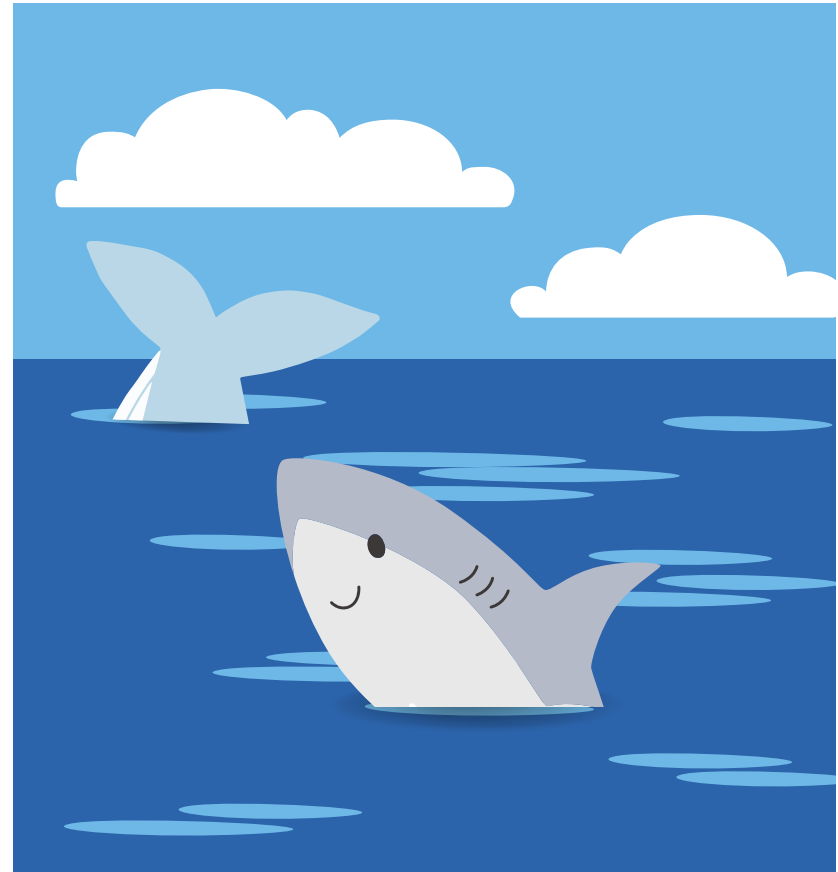

A manta ray

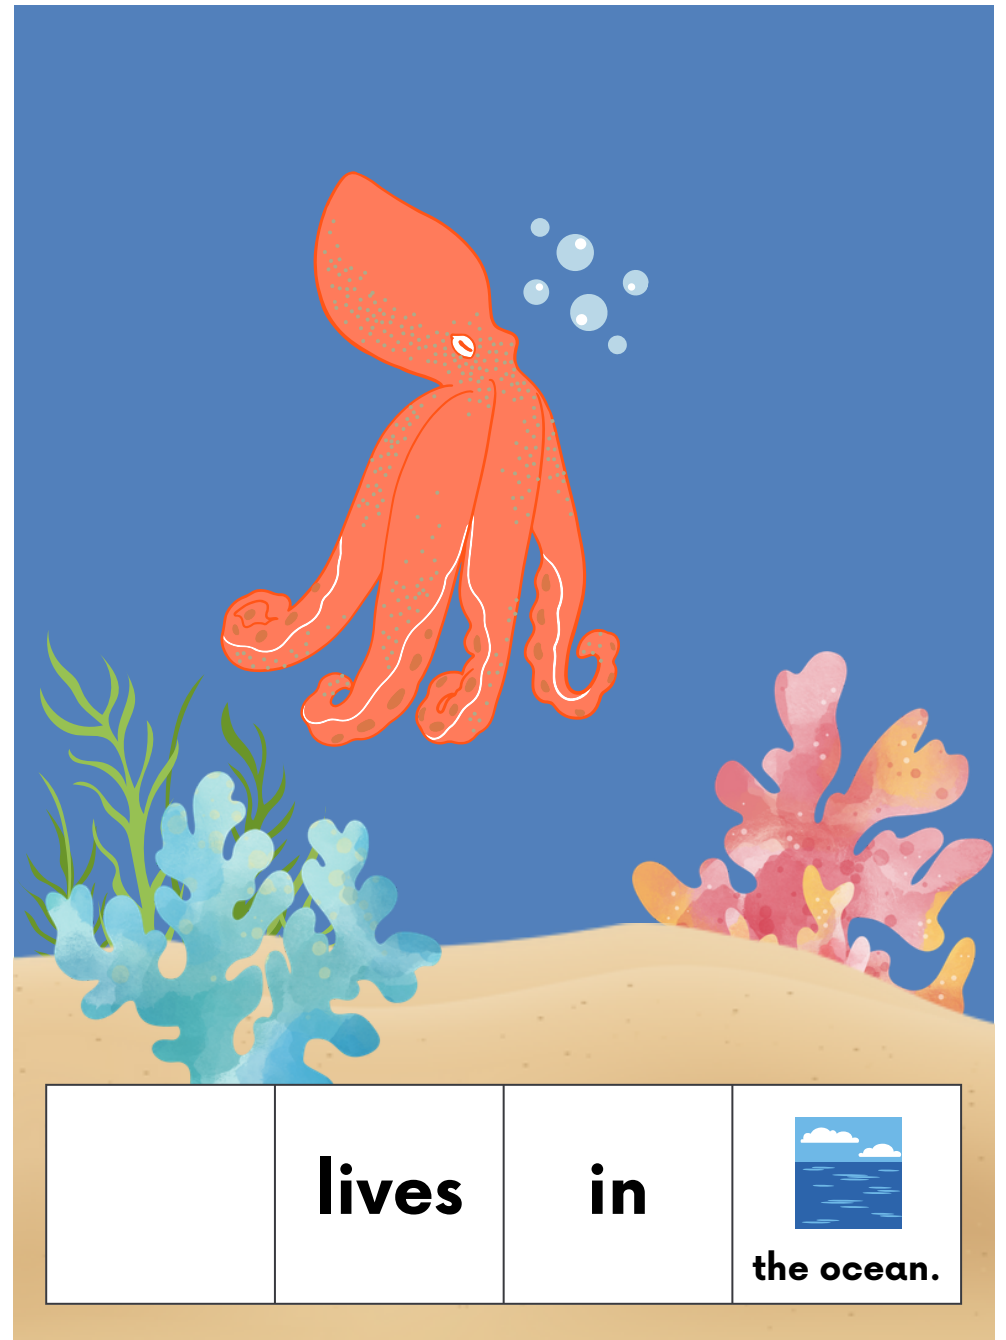

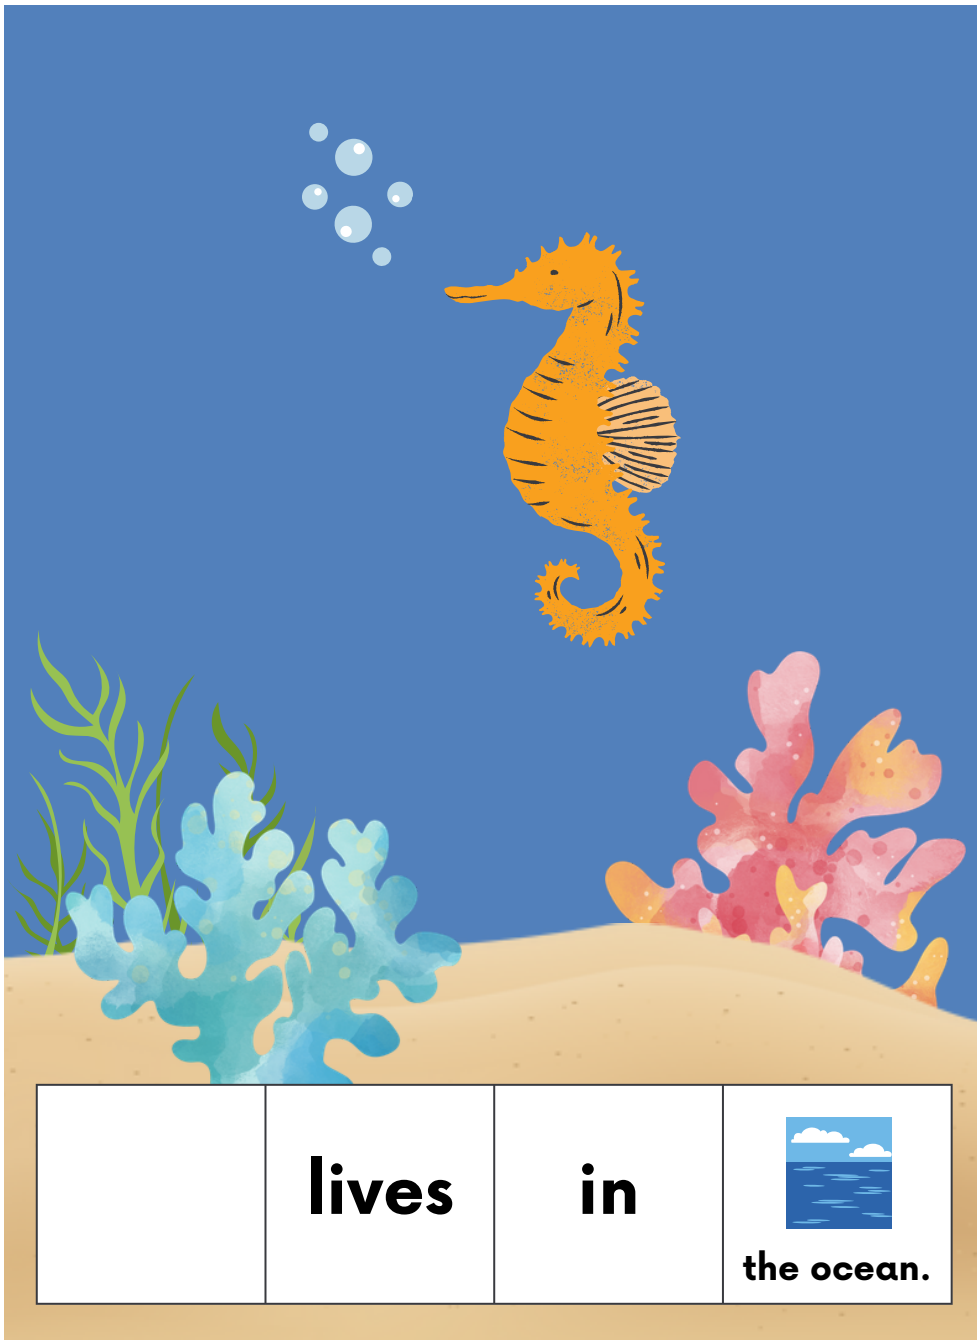

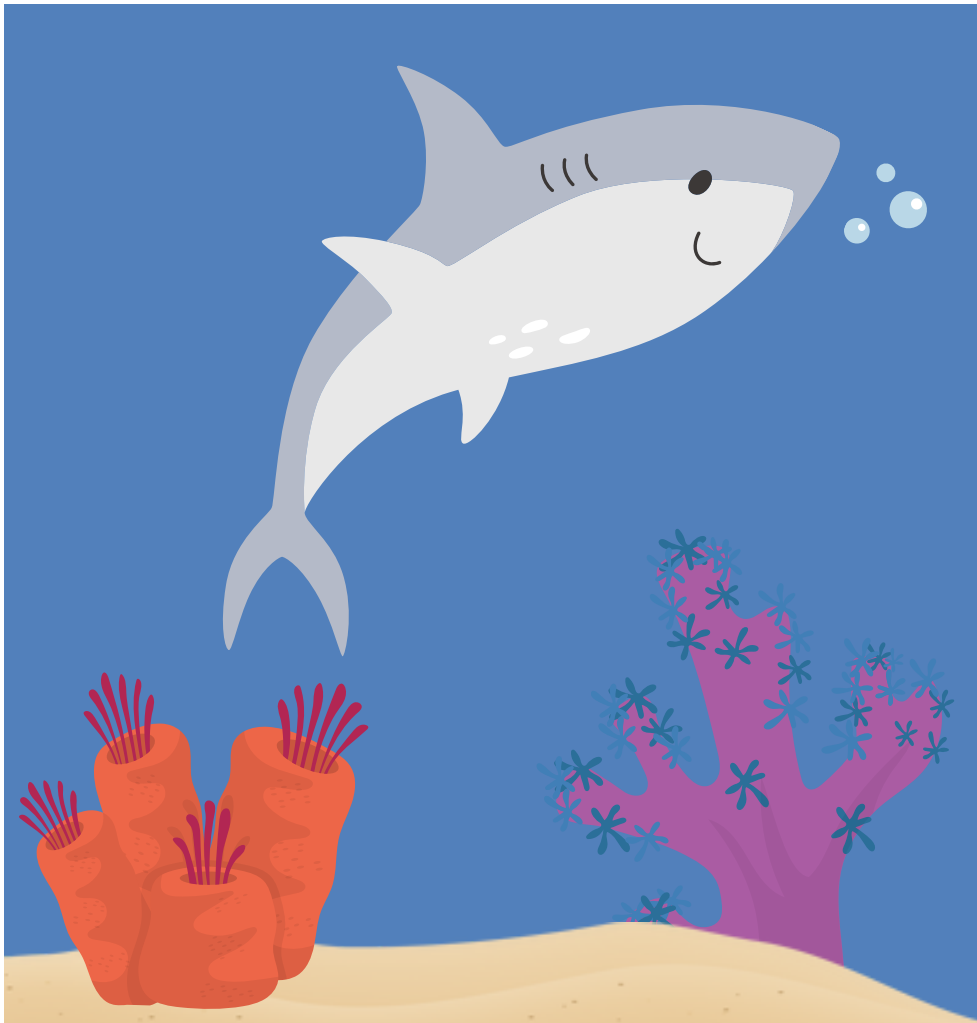

A squid

Cut out the pictures above to use as pieces for the book.

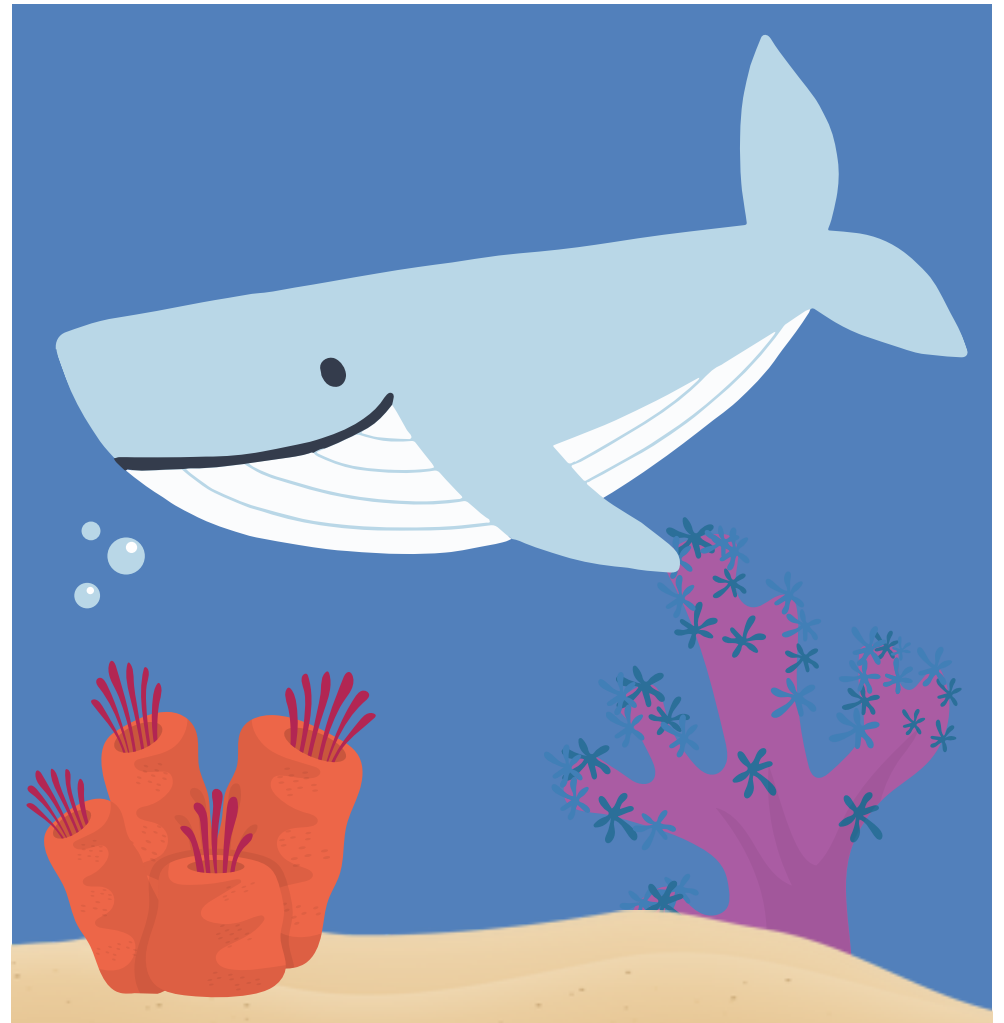

**WHO LIVES IN
THE OCEAN?**

	lives	in	 the ocean.
