Petal the guinea pig

Petal is a lonely guinea pig, who wants a friend.

One day, Petal's owner brings home a new friend. Petal is so excited - who is inside?

Petal's new friend is a rabbit called Mo.

Petal and Mo don't get along.

They talk different languages and don't understand each other.

They argue and fight. Both Petal and Mo feel sad.

Their owner finds Mo a new loving home, where she can be happy with other rabbit friends.

Petal now has a best friend. She is called Penny.
